A large, stylized graphic of an eagle is the central focus of the cover. The eagle is depicted in profile, facing left, with its wings spread wide. The body and wings are a dark, mottled greenish-brown color, while the head and tail are a lighter, textured cream color. The eagle is set against a background of diagonal stripes in the same two colors. On the left side, there is a vertical strip with a series of rectangular cutouts, resembling a comb or a ladder. The overall design is modern and graphic.

# FOREWORD

The period in which we live and our graduation from high school offers a privilege for service to any person who is well-prepared. May we think of the years spent at West Yadkin as the initial period in this preparation for the opportunities that lie before us.

Through our continued sacrifices and

with a determined effort to achieve perfection in our selected vocations, we may help our community to find a solution to many of its perplexing problems.

As we move on to blaze new trails, may we stop and cherish those memories once again through the activities and organizations that helped us to establish them.

# DEDICATION

To a person who has helped all of us lay a foundation for our future, to one who has been patient and understanding, and to one who will long be remembered by each of us, we the 1962 annual staff are pleased to present the 1962 edition of "The Eagle" to Miss Addie Casey.

# MEMORIAM

In memoriam to a man whose high ideals of education will long be remembered in our great state, to a man whose influence has deeply affected our community and school through his annual presentation of the A. J. Martin trophy, and to a fine Christian man, we, the 1962 annual staff feel very honored to leave this page in memoriam to Mr. LeRoy Martin.

## PRINCIPAL'S MESSAGE

Sometimes we fail to succeed only because we fail to make a serious and determined effort. We can't blame anyone for such failures but ourselves.

I would like to quote part of a poem by Edgar A. Guest that we should repeat to ourselves when we have failed to try.

"Believe in yourself! Believe you are made  
To do any task without calling for aid-  
Believe, without growing too scornfully proud,  
That you, as the greatest and least, are endowed.  
A mind to do thinking, two hands and two eyes  
Are all the equipment God gave to the wise.

Believe in yourself and step out unafraid.  
By doubts and misgivings be not easily swayed.  
You've the right to succeed; the precision of skill  
Which betokens the great you can earn if you will!  
The wisdom of ages is yours if you'll read,  
But you've got to believe in yourself to succeed."

Sincerely,  
Mr. C. C. Wright
